The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a con-stitutional treatment. Hail's Catarrii Circ is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strongth by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers, that souff, break dishes and catch flies. It they offer One Hundred Dollars for any is a beautifu fice and its name is Penny case that it fails to cure. Send for list of testimonials. Address,

Fire broke out in the wreckage of the buildings on Main street and was only put out after desperate work on the part of the depart ment, whose efforts were handicapped by the debris which block-

ed the streets The storm lasted less than an hour and the labor of rescue began at once. All the stores in the business section that were not hit closed their doors and every male citizen that could lend a hand prompt ly joined the work The cyclone then swept around the outskirts of the city to the suburbs of New Holland two miles away, where are located the Pacolet cotton mills one of the largest institutions of its kind in the South. The plant of the Pacolet company was not seriously damaged, but probably 100 cottages standing nearby, occupied by operatives who were employed in the mills, were completely demolished, killing thirty-three people These were mostly all women and children, as the heads of families were nearly all in the factory

at work. A meeting was held to organize a relie! committee, and an appeal was made to the public for funds to assist the mill operatives who are thrown out of work.
